PCPS April 12 COVID-19 & Continuous Learning Update

- **West Middle School, East Middle School, and Po-Hi** Continuous Learning Activities pick-up for the weeks of **April 13 and April 20** are scheduled for **Monday, April 13 from 4:00-6:00 PM**. However, if you prefer to **download and print** the activities, they will be online by **10:00 AM on Monday, April 13**. If you have them available, bring packets from April 6 with a completion date for the activity to be placed in the box. If you did not complete all the activities, IT IS FINE. You do **NOT** have to bring the actual activities, but if you want to, teachers would love to see your progress. Some students may have sent activities to their teacher via email. Please remember Continuous Learning Activities **DO NOT affect a student's grade**. The purpose of Continuous Learning is to keep students thinking and problem solving and to give students and teachers a chance to stay connected. **WMS, EMS, and Po-Hi** packets are for **two** weeks this time. The final packet pick-up and upload will be Monday April 27 for West, East, and Po-Hi.
- **PreK and Elementary Continuous Learning Activities** pick-up and download will be **April 20**. PreK and Elementary students received two-week packets on April 6. The district will remind students with a press release!

We hope you had a wonderful Easter!
